

Jaylin_love_Erika — Your Chinese Learning Guide

Hi Erika! This guide explains how to use your private Chinese learning website.
No technical knowledge needed — just follow the steps below.

Website: <https://jaylin-love-erika.vercel.app>

Your username: erika

Your password: *(the one Lin gave you)*

Getting Started

1. Open the website

Use **Chrome** or **Edge** on your phone or computer for the best experience.

2. Log in

- Enter username: **erika**
- Enter your password
- Tap **Sign in**

3. Add to your phone home screen (recommended)

This works like a small app — faster to open every day.

iPhone (Safari):

1. Open the website
2. Tap the **Share** button
3. Tap **Add to Home Screen**
4. Tap **Add**

Android (Chrome):

1. Open the website
 2. Tap the menu (:)
 3. Tap **Add to Home screen** or **Install app**
-

Your Daily Plan (~15 minutes)

Lin designed a simple daily routine for you:

Step	What to do	Time
1	Review — practice words you already learned	~5 min
2	Learn — do the next lesson	~5 min
3	Listen or Speak — train your ears and mouth	~3 min
4	<i>(Optional)</i> Chat with Lin AI — practice a short conversation	~2 min

On the **Home** page, you will see **Today's tasks** — just follow the list!

Tip: You have school for many hours without your phone. That is okay! Study when you are free. Your streak counts when you finish your tasks for the day — even if it is in the evening or on weekends.

Navigation Menu

At the top of every page:

 5. Wait for Lin's feedback — it will appear on the same page
-

Culture & Etiquette

Short guides to help you when talking to Lin's family:

- How to address elders (叔叔, 阿姨...)
- Table manners when eating together
- How to greet family on video calls

Read these before meeting Lin's parents!

Profile

See your:

- **Level** and **XP**
- **Longest streak**
- **Achievements** (badges you unlock)

Badges include things like completing your first lesson or practicing Lin's phrases.

Tips for Success

1. **15 minutes a day** is enough — do not pressure yourself
 2. **School days:** study in the evening or on weekends when you have your phone
 3. **Use Review every day** — it helps you remember words long-term
 4. **Mark hard words** — Lin uses this to help you better
 5. **Send wishes** — tell Lin what you want to learn next
 6. **Practice speaking out loud** — even alone in your room!
 7. **Chat with AI Lin** — low pressure, no judgment

If Something Goes Wrong

Problem	What to try
Cannot log in	Check username <code>erika</code> and your password; ask Lin
Page looks broken	Refresh the page (pull down on phone)
Microphone does not work	Check browser permissions; use Chrome or Edge

Problem	What to try
Chinese audio does not play	Try Chrome; turn up volume
Website does not open	Check internet; try again later; tell Lin

When in doubt, message Lin! He built this site for you and can fix problems on his side.

A Message from Lin

This website was made just for you — Erika, 老婆.

Take your time, enjoy the process, and celebrate small wins every day.

每一个小进步，Lin 都为你骄傲。加油！❤️
